REBELS WILL ENTER MEXICO CITY IN PEACE

[Associated Press by Fed. Wireless.] CITY OF MEXICO, Aug. 14.—An act was today signed between General Obregon of the Constitutional forces and Governor Turbide, acting as provisional president of Mexico, agreeing to a peaceful occupation of the City of Mexico.

WASHINGTON, Aug. 14.—Secretary of State Bryan announced yesterday that General Carranza of the Constitutionalists and Provisional President Turbide, in whose hands Carrabal has left the settlement of affairs, have been able to satisfactorily arrange the terms of a peaceful occupation of the City of Mexico by the Constitutionalists.

CITY OF MEXICO, Aug. 14.—President Carrabal, the members of his cabinet and the federal garrison left the city Wednesday night, the president taking train for Vera Cruz. Before he left he drew up a manifesto which was published yesterday morning. In this Carrabal said:

"I have done my best during my provisional presidency, in every way, to avoid the necessity for further bloodshed, but I have been met by the uncompromising demands of the Constitutionalists for unconditional surrender. I feel that I have done my duty and the whole responsibility for what may happen now rests with the revolutionists."

OIL PAINTING TELLS OF CENTURY'S PEACE WITH UNITED STATES

[Associated Press] LONDON, Eng., August 14.—One of the most interesting features of the preparation for the celebration at the end of the year of the close of the century of peace between Great Britain and the United States is an oil painting of the plenipotentiaries who concluded the treaty of Ghent, on December 14, 1814. This undertaking in group portraiture has been placed in the hands of Amedee Forestier, an Anglo-French painter, whose work, especially as an illustrator in black and white, is well-known.

The figures of the plenipotentiaries have been painted from extant portraits in this country and America, with the exception of the figure of William Adams, one of the British representatives who in his lifetime resolutely refused to have his portrait painted. The penalty of that obstinacy is that in this historical painting Mr. Adams is relegated to a shady corner in the background where he might be anybody.

The interior in which the plenipotentiaries stand is that of the old Carthusian convent at Ghent, in which the treaty was signed.

Word has been received here of the safe arrival in London, England, of Miss Ethelwyn Castle and Miss Edith Williams, nieces of W. R. Castle. Miss Castle and Miss Williams have been touring Norway and, at the outbreak of the European war, some anxiety was felt here for their safety.

Father—Listen, my boy; I want you to avoid my mistakes in life. Son—Oh, I will, dad! I'll give my son twice the allowance that you give me, and take his advice in all matters of dress.

CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" best for tender stomach, liver, bowels—tastes delicious.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them. With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeiters sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt—advertisement.

EAT CABBAGE. FISH. SAUSAGE. NEW BREAD

No indigestion, Gas, Sourness or Upset Stomach if you'll take "Pape's Diapepsin"—Try This!

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back. You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from end drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder—advertisement.
